***Permits are good for 1 (one) year from approval date. Any work not completed by this date requires a new permit to be submitted & approved.**

Please clearly mark the boundaries and measurements of your lot, show all existing structures on the lot and distances from boundaries as well as the changes you are proposing including detailed measurements. Please include a **N**↑arrow and if scale is relevant.

Summary of work to be done: (i.e., new build, deck, septic tank, shed, tree removal, etc. can draw on back if more space is required)

CLEARWATER LAKE REGIONAL PARK DEVELOPMENT PERMIT

1. Does your power installation by Sask Power require any expenditures by the Clearwater Lake Regional Park Board, such as extra power pole, etc.? ☐ Yes
☐ No
2. Do you have any road access to parking requirements that will necessitate any expenditure by the Clearwater Lake Regional Park? ☐ Yes
☐ No
3. Are you fully conversant with the Clearwater Lake Regional Park By-Law? ☐ Yes
☐ No

Please Note:

- No lot clearing or tree removal may commence until your building permit is approved by the Clearwater Lake Regional Park Authority.
- All building structures, walk-ways and roof overhangs must be a minimum of two (2) feet from your property boundaries. Any variation from these rules and you will be made to remove the structure.
- Performance Bond or Certified cheque of \$1,500.00 may be required prior to any work done at Clearwater Lake Regional Park.
- Once a building permit has been approved and the work has been completed it is the lease holder's responsibility to contact the Lake Board so that a re-inspection can be done.
- Your annual lease and levies must be paid in full before permit can be approved
